LinkedIn: linkedin.com/in/mubariz-imanov

## PROFESSIONAL SUMMARY

Passionate and self-motivated Web Developer with strong experience in both frontend and backend technologies. Proficient in building dynamic user interfaces using React and writing clean, optimized code. A fast learner who continuously explores new technologies and applies them in real-world projects to deliver exceptional value.

## SKILLS & TECHNOLOGIES

- Frontend & UI: React, JavaScript, TypeScript, HTML5, CSS3, SCSS, SASS, TailwindCSS, Responsive Design
- Backend & Tools: Git, GitHub, RESTful APIs, Vite, Webpack, Browser Developer Tools
- Methodologies: Component-Based Architecture, Agile/Scrum, Debugging & Performance Optimization

## WORK EXPERIENCE

### Frontend Developer Intern — CodeAlpha

- Developed interactive web applications and modular user interfaces using React and modern JavaScript.
- Collaborated with senior developers on code reviews, component structuring, and UI/UX optimization.

### Frontend Developer — DevJoint

- Built and maintained scalable front-end architectures and responsive web components.
- Integrated REST APIs and optimized web application loading speed and cross-browser compatibility.

### Frontend Developer — Corex

- Engineered production-ready web interfaces (such as aphrodite.corex.az) with high attention to design fidelity.
- Implemented state management, reusable React hooks, and clean styling frameworks.

### Frontend Developer Intern — Software Village

- Participated in intensive front-end engineering training, building responsive projects (MovieMania, StreamVibe).
- Mastered advanced React concepts, Git workflows, and collaborative software delivery.

### Technician — SOCAR — Oil & Gas Scientific Research Institute

- Managed technical equipment, diagnostic testing, and engineering data documentation for research projects.
- Awarded Certificate of Honor (2021) for outstanding contributions to the oil and gas industry.

## FEATURED PROJECTS

**MovieMania** (React, TailwindCSS, REST API) — movies-app-mubariz.vercel.app

**StreamVibe** (React, JavaScript, CSS) — stream-vibe05.vercel.app

**Afrodita-BRS** (Production Web App) — demo.aphrodite.corex.az

## EDUCATION

**Sumgait State Vocational Education Center for Industry and High Technologies — Information Technology (Diploma Degree)** September 2025

- Completed comprehensive IT curriculum focusing on modern programming foundations, web technologies, and systems engineering.

**SOCAR Training, Education and Certification Department (TTSI) — Professional Training Program** September 2016 – 2017

- Specialized technical training covering industrial systems, operational safety, and engineering standards.

## CERTIFICATES & AWARDS

- IT Web Design Course Diploma & Certificate — Educator Academy MMC (May 2026)
- Certificate of Honor — SOCAR (2021 for outstanding industrial contributions)
- Front-End Developer Specialization (React, JavaScript, UX/UI, GitHub)

## LANGUAGES

Azerbaijani (Native/Bilingual), English (Proficient), Turkish (Native/Bilingual), Russian (Proficient)
